Hi Adam

Ex. 5 Attorney Client (AC)

I just tried to "concur" on the task you sent earlier, and the link isn't working. It might be my computer here, as I've been having a few bumps in moving to Chrome today. So lemme sign out and back in, and see if I can concur. Stay tuned!

Hi Scott and Sara – I've linked our draft comment letter to North Dakota on their SO2 DRR ongoing emissions report. I'm still awaiting a sub-site to start the proper concurrence workflow, but in the interest of time I'm forwarding now in case it expedites your review later this morning. Their comment period closes next Tuesday, August 13, so this will need to move quickly (sorry about that). Thanks.
